to High Professional Standard.**

**Precise Matrix Cutter**

**NEW**

You can cut accurately mitred angles safely and easily whether the matrix is a steel or plastic base. The cutting table is inscribed with angles of 45°, 60°, 75°, 90°, 105° & 120°.

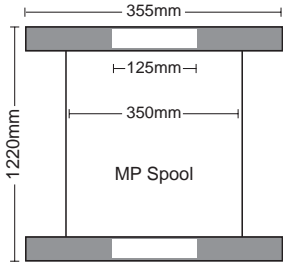

The cutting blade is surgical quality steel, which will last for many years.

Order code: 260-855

Comes complete with straight and angled cutting table of cast aluminium.

**Stitching Wire MP100 Spools Stock Line**

- Competitive pricing
- 90 kg nett, round, soft wire either 0.50 or 0.55 mm
- Lotter's top ranked German wire

Hudson's Can Supply Stitching Wire to All Specifications.

**Special Price Aerosolve Stop-set**

Stop-set 303 is an anti-skinning ink spray for both offset and letterpress inks.

It prevents the skinning of inks, which eliminates washing rollers, ink fountains, etc.

**Only \$7.50\*** per can

Minimum of 3 Cans Per Order While Stocks Last

Order Code: 221-303

\*Plus GST

**TOBIAS IQ150 Reflection Densitometer Stand 64**

**Simple to Use**

A densitometer so simple to use that an operator's manual isn't even needed! Yet, the Tobias IQ150 hand-held densitometer fulfils press and pre-press quality control needs with precision. Use the latest in technology to quickly and easily compute densitometric functions.

The IQ150 densitometer has a large LCD screen that prompts the user to perform those essential density and dot measurements. There's no need to change settings of the IQ150 for different colour

channels as all four colour channels are displayed simultaneously. The predominant colour channel is displayed larger on the screen whilst the minor readings are shown to the side.

**It offers:**

- Density
- Density difference
- Dot area
- Dot gain
- Simultaneous display of all filters
- Portable and computer connectability
