PRINT SHOP SAFETY

CHEMICAL STORAGE CABINETS

Safely store your flammable liquids.

OILY WASTE CANS

For solvent sodden cloths and wiping rags. Convenient foot pedal operation.

PLUNGER CANS

Safely moistens wiping cloths with excess draining back into can. The perforated pan screen is a very effective flame arrester.

SOLVENT RESISTANT GLOVES

Great protection during press wash-ups and for dermatitis risk.

Hudson's also stocks white cotton and clear vinyl gloves, plus fine compressed sponges & blanket scrubbers.

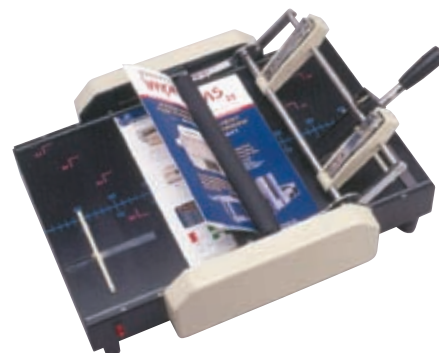

SHRINK WRAP YOUR FINISHED PRINT

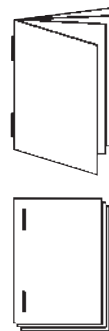

- Protects from moisture.
- Easy to use
- 2 models
- 450 mm & 600 mm wide
- ★ Includes a bonus roll of film:
450 metres x 25µms (607-405 pack)
600 metres x 25µms (607-600 pack)

THE BOOKIE FOR SHORT RUNS BOOKLET MAKING

With the **AUTO BOOKIE** presenting your documents in a booklet format couldn't be easier. Double-sided prints are turned into a booklet in seconds, enhancing your document presentation.

Saddle and side stapling or folding only, for A4 & A5 books with different staple locations. Code 608-2500

WGW

WHITE GUM WASHOUT

Suitable for all types of Metal Plates including CTP and Multimetal Plates.

WGW quickly and effectively dissolves even the heaviest ink film on the plate and, at the same time, will protect its non print surface against oxidation, leaving the image area ink receptive.

WGW will not leave gum streaks and can be used as a pre-press gum and on the press itself, for plate protection during stops. It is also suitable for long term storage of plates and washes off easily after storage. It is water miscible.

- *Non flammable*
- *Hazchem code – none assigned*
- *UN number – not regulated*
- *Packing group – none assigned*
- *EPG – none assigned*
- *ERG – not applicable*

WGW has a mild odour, is a stable solution and is very resistant to separation.

Available in 5 litre (219-WGW-05)
and 20 litre (219-WGW-20)
