# Duplo<sup>TM</sup> Bookie

**The easy and cost effective solution for booklet making**

With the **Duplo Bookie**, presenting your documents in a booklet format couldn't be easier.

Double-sided prints are turned into a booklet in seconds enhancing your documentation presentation.

## COMPACT

The compact desktop machine provides saddle and side stapling or folding only, for A4 and A5 books with different staple locations.

## MULTIPLE USES

Ideal applications include short-run orders; school, church and association magazines; small handbooks; orders of service and information manuals.

## Operation is simple:

- Place the sheets in the Bookie between the self centring paper size guides.
- Depress the stapling handle to staple the booklet.
- As the handle is drawn back, the Auto Bookie automatically folds and ejects the newly created booklet.
