FOR YOUR GULLOTINE

Magnetic Guillotine Clamp Pads

The magnetic back holds tightly to the clamp while the foam pad absorbs the clamp's impact, which prevents the sharp edges of the clamp fingers marking the top sheets. It is perfect for many uses including protecting art boards, raised print and carbonless papers.

First quality red, available to suit virtually every make of guillotine.

~ It stands the test of time ~

Self
Adhesive

Wotan tape is a high-strength, all-purpose, pressure-sensitive tape that won't peel off. The non-stretch cloth base is waterproof and will adhere to almost any clean, dry surfaces.

Once affixed it will not slide, peel or stretch and really does stand the test of time. Available in 25-metre rolls in varying widths from 25 mm to 100 mm across, and in eight different colours.
