eurofold SWISS MADE

The most modular folding system on earth

Suction feeder *or*

- Deep pile feeder
- Cross-fold system
- Automatic or manual plate change
- Batch or total counter

Knife Folder MKF 35

Folds difficult and thick products up to 17,000 per hour.

Double Creaser DCM-45

Slit, Perforate, Score and Kiss Cut Options.
Extremely high speed of up to 30,000 per hour

Multifunctional abilities

...as stand alone units or in-line with Eurofold and other equipment.

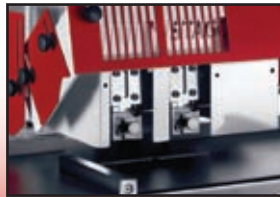

STAGO *HM 15/2*

Automatic Stapling Machine

WITH TWO HEADS

- Clenched flat and saddle stapling
- Works with one or both heads
- Quick changeover to loop staples
- Sheet insertion depth 225 mm • Easy loading
- Bench machine • Foot switch operated

Precise • Versatile • Fast

REACH FOR THE GREEN
When You Want Your
Rollers *Really* Clean

*EASY STREET IS ODOURLESS,
NON ABRASIVE, NON RED LABEL
AND SAFE TO USE — EVERY DAY!*

PRINTERS PREFER...

ORANGE
NATURAL CITRUS
HAND CLEANER

- Removes Ink & Grime
- Petroleum Solvent Free
- Moisturises & Protects
- Pleasant Citrus Smell

ADC DAMPENER CLEANER

*Aqua dampener cleaner
removes ink from all
dampener materials.*

- Non abrasive & water based
- Hand scrub or machine cleaning

ADC is an economical, highly concentrated formulation and designed to be diluted with up to 20 parts water while still maintaining good cleaning efficiency.

ADC is suitable to efficiently clean cotton covers, velour and shrink on covers as well as loop pile and molleton material.

ADC rinses clean. After washing, flush rollers with cold water until foam is cleared. It leaves no oily residue.

ADC is a concentrated wetting agent with a powerful emulsifying action which combines to lift out ink and contaminants. It leaves covers clean and water receptive. A very heavy ink build up can be removed by pre-soaking in concentrate and brushing lightly before machine washing.

Not flammable and non regulated. Non damaging to rubber rollers vinyl floor coverings and automatic washing equipment.

ADC is available in 5 litre cans (219-ADC-05) and 20 litre drums (219-ADC-20)
