JAZZ[®]

Creasing Matrix Plastic Counter Film Base

**For Packaging
and Carton
Printing**

**The Ultimate
in Creasing
Technology**

The smooth tapered edges immediately identify **JAZZ** as something different. Finger lift adhesive tape, colour coded and with full printed identification of size on the product, the quality is easy to discern. This is a product for high speed cutting and creasing. Make ready downtime is cut to the bare minimum; there is no need for dressing down the make ready and the adhesive system gives a firm hold with 'easy clean' matrix removal.

Available in a vast range of sizes **JAZZ** is the product of the print finisher and box maker who demands the best. From Hudson's.

You CAN Cut, Crease and Slit on the One Machine!

Without
Toner Cracking

Duplo™

DocuCutter **DC-545HC**

- Eliminate toner cracking
- Full bleed trimming
- Simple operation
- Registration mark recognition
- Perfect Slit, Cut & Crease

Digital Printing Isn't Finished Until it's Professionally Finished!

WOTAN

Cloth Bookbinding Tape

**IT STANDS THE TEST
OF TIME!**

For quarter binding books Wotan tape is a high-strength, all-purpose, pressure-sensitive tape that won't peel off. The non stretch cloth base is waterproof and tears evenly across the width or along the length without the need for a dispenser.

The special adhesive is highly effective in both hot or cold conditions and will adhere to almost any clean, dry surfaces.

Once affixed it will not slide, peel or stretch and really does stand the test of time.

Available from 25 metre rolls in varying widths from 25 mm to 100 mm across, in eight different colours.

Wotan - the quality cloth tape from Hudson's.

During March and April
Hudson's has a

GREAT SPECIAL

A BAKER'S DOZEN!

Order 12 rolls and you'll get an
