# MAGNETIC Guillotine Clamp Pads

The magnetic back holds tightly to the cutter clamp while the foam pad absorbs the clamp's impact, which prevents the sharp edges of the clamp fingers marking the top sheets. It is ideal for many uses including protecting art boards, raised print and carbonless papers. Set of two (each 75 x 400 mm).

## Duplo™ Bookie

With the **Duplo Bookie**, presenting your documents in a booklet format couldn't be easier. Double-sided prints are turned into a booklet in seconds enhancing your documentation presentation.

**The easy  
and cost effective  
solution for booklet making**

### COMPACT

The compact desktop machine provides saddle and side stapling or folding only, for A4 and A5 books with different staple locations.

### MULTIPLE USES

Ideal applications include short-run orders; school, church and association magazines; small handbooks; orders of service and information manuals.

### Operation is simple:

- Place the sheets in the Bookie between the self centring paper size guides.
- Depress the stapling handle to staple the booklet.
- As the handle is drawn back, the Auto Bookie automatically folds and ejects the newly created booklet.

Specifications	Auto Bookie
